

HIS & HERS WEDDING BANDS

A Symbol of  
Everlasting Union

SUEN

Right after "yes" and all the way towards  
"I do", the feelings are indescribable.

Between happiness and joy, excitement  
and delight, our rings are symbols of these  
experiences of love and devotion, specially  
crafted to accompany couples as they begin  
their journey into marital bliss.

## Comfort-Fit

Our captivating wedding bands radiate elegance and comfort all at once. The profile of each band is ergonomically formed with optimal thickness to guarantee maximum comfort.

Hands feel cool and dry, thanks to the “comfort fit” feature which minimizes moisture trapped between the ring and your finger, ensuring comfortable wear through the decades.

## Precious Metal

A striking statement of your love, our 18K white, yellow and rose gold bands will leave a lasting impression on any hand in marriage.

Each 18K white gold band contains 32% palladium, an extremely valuable white metal to achieve the whitest nickel-free and hypoallergenic band for you. We also have rings that are crafted using the purest PT950 platinum.

## Remarkably Crafted

With an unceasing dedication to excellence, highly skilled SUEN artisans are equipped with the technical knowledge and experience to craft the finest wedding bands befitting of your everlasting union.
